ERMETE

ERMETE is a brand-new 22.3-metre planing motor yacht, launched in 2025 by **Ferretti Yachts** and designed in collaboration with Filippo Salvetti. She represents the perfect blend of modern Italian styling, luxurious interior volumes, and strong performance at sea.

With her sleek profile and contemporary lines, **ERMETE** offers accommodation for up to 8 guests in four en-suite cabins: a full-beam master suite, two VIP cabins with queen-size beds, and a twin cabin, ideal for families or mixed groups. The crew quarters for two are accessed separately, ensuring guest privacy and smooth service at all times.

Powered by twin MAN V12 engines, each delivering 1400 hp, **ERMETE** cruises comfortably at 22 knots and reaches top speeds of up to 28 knots, with a fuel consumption of approximately 300 litres per hour at cruising speed — a great balance between performance and efficiency.

Outdoor living is a key highlight aboard **ERMETE**. The expansive flybridge offers plenty of room for sunbathing, dining, and lounging, while the aft cockpit is equipped with an alfresco dining area for relaxed meals by the sea. The foredeck sunpad creates a private escape with panoramic views.

Fully equipped for comfort and entertainment, **ERMETE** features air conditioning, Wi-Fi, and an audio system in every cabin. For fun on the water, she carries a Williams 385 tender and a collection of inflatable water toys.

Combining refined design, well-engineered systems, and carefully crafted interiors, **ERMETE** is a standout option for owners and charter guests seeking a stylish and high-performance yacht in the 70-foot range.
