# EMERALD

**EMERALD** is a 50.4-meter **Feadship** motor yacht that has undergone a complete transformation between 2021 and 2023, elevating her to the highest standards of modern luxury charter. Following a substantial refit at **Balk Shipyard**, in collaboration with Design Unlimited, she now offers a refined combination of comfort, style, and functionality.

Her thoughtful layout makes **EMERALD** equally suited for family cruising or entertaining with friends. The main deck features a spacious full-beam master suite and an adjacent VIP cabin—a perfect setup for parents with children or close couples. Four additional guest cabins are located on the lower deck, allowing for accommodation of up to 12 guests in total comfort.

The main saloon is a stylish, zoned space with a lounge area and formal dining table. The galley has been fully refitted with professional-grade equipment, and the sky lounge on the upper deck has been enlarged to create an inviting second indoor social area.

The sun deck offers an open-air oasis, complete with jacuzzi, sun loungers, bar, and custom integrated furniture designed for seamless outdoor living. The crew quarters have also been refreshed, including a dedicated engineer's cabin, and the service areas are optimized to meet the demands of high-end charter operations—ensuring exceptional hospitality and discretion.

**EMERALD** is equipped with cutting-edge technology, including new AV/IT systems, Quantum Zero-Speed stabilizers for enhanced comfort at anchor, and the latest in navigation electronics.

Recognized by the World Superyacht Awards 2024, **EMERALD** represents a rare opportunity to charter a heritage Feadship that combines timeless pedigree with contemporary elegance and seamless onboard service.

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
