# IPANEMAS

Launched in 2012 by **Tecnomar**, **IPANEMAS** is a high-performance motor yacht that seamlessly blends modern Italian design, speed, and luxury comfort. Her semi-displacement fiberglass hull, powered by MTU 16V 4000 engines, delivers a cruising speed of 22 knots and a maximum speed of 27 knots, ensuring an exhilarating yet smooth ride.

The exterior, styled by Luca Dini, showcases sleek, contemporary lines, while large panoramic windows fill the interiors with natural light. **IPANEMAS** accommodates up to 14 guests in six luxurious cabins. The full-beam master suite on the main deck features a walk-in wardrobe, office, gym, and spacious bathroom, providing the ultimate in privacy and comfort. Guest cabins include a VIP suite with sofa bed, two double cabins, and two twin cabins with Pullman berths, all equipped with modern AV systems and flat-screen TVs.

Outdoor spaces offer a jacuzzi on the sundeck, multiple seating and dining areas, and generous lounging zones. Water sports enthusiasts will enjoy a wide selection of toys, including two tenders, three jet skis, inflatable toys, and fishing equipment. A 2019 refit and meticulous ongoing maintenance, including system upgrades and interior enhancements, ensure **IPANEMAS** remains in excellent condition, making her a perfect choice for luxury private use or charter operations.

# DESTINATIONS

## CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
