EL PECADO

EL PECADO — an elegant motor yacht built by **Maiora** in 2014 and comprehensively refitted in 2024. Twin MAN 12V-1360 Common Rail diesel engines deliver a cruising speed of 22 knots and a top speed of 26 knots, while Zero Speed Fins stabilisers ensure comfort at anchor.

She accommodates up to nine guests in four cabins: a full-beam master suite, a spacious forward VIP cabin and two guest cabins, one with an additional Pullman berth. Crew quarters for four include two cabins with a private bathroom and crew mess.

Her GRP hull and superstructure, designed by Roberto Del Re, are complemented by expansive exterior decks featuring a flybridge grill, sunbathing areas, alfresco dining spaces and a generous swim platform for easy access to the sea. The garage houses a Williams 345 Jet tender (new 2020), an e-foil, two Seabobs, two paddleboards, water skis, inflatable toys and fishing equipment. Combining style, speed and comfort, **EL PECADO** offers an unforgettable experience on the water.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
