MOTOR YACHT

FATSA

Launched in 2021, the 29-meter motor yacht **FATSA** from **Sanlorenzo's SD96** series embodies the brand's signature elegance, advanced engineering, and contemporary design. Her sleek exterior was created by Zuccon International Project, while the refined interiors are the work of Patricia Urquiola, combining natural materials and soft, neutral tones for a sophisticated and relaxed atmosphere.

FATSA accommodates up to 11 guests in five ensuite cabins: a full-beam master suite on the main deck, two VIP cabins, and two twin cabins on the lower deck, one of which includes an additional Pullman berth.

Powered by twin MTU engines of 1,361 hp each, **FATSA** reaches a top speed of 17 knots and cruises comfortably at 13.5 knots. Stabilizers both underway and at anchor ensure smooth and comfortable navigation in all conditions.

FATSA offers a seamless blend of comfort, design, and functionality. Expansive deck spaces and thoughtfully designed interiors create the ideal setting for relaxation, entertaining, and enjoying time at sea with family and friends.

The **Sanlorenzo SD96 FATSA** represents the perfect balance between timeless style and modern luxury — an outstanding choice for discerning guests seeking a refined yachting experience.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
