MOTOR YACHT

PRIMUS

The brand-new **Sanlorenzo SL96A PRIMUS** is a 29-meter yacht that embodies a modern approach to marine design. Thanks to her asymmetrical layout, every inch of space is used to its fullest potential, creating an exceptional sense of openness and flow.

Guests are welcomed into the main salon, where panoramic windows frame stunning sea views and seamlessly connect the lounge and dining areas. The interior is designed in neutral tones with natural materials, creating a warm and harmonious atmosphere throughout.

PRIMUS accommodates up to 11 guests in five cabins, including a master suite on the main deck, two VIP cabins, one convertible cabin, and one twin cabin with an additional Pullman berth.

Exterior spaces include an aft cockpit with a dining area, a flybridge with a bar and sun loungers, and a forward sunbathing area, providing multiple settings for relaxation and socializing.

Powered by twin MTU 16V2000M86 engines, **PRIMUS** reaches a top speed of 28 knots and cruises comfortably at 22 knots.

Sanlorenzo SL96A PRIMUS perfectly balances comfort, functionality, and contemporary Italian design, offering the ideal setting for refined life at sea.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
