MOTOR YACHT

SEVEN

Princess F55 SEVEN is a 17.6-metre flybridge motor yacht, built in 2023 by the renowned British shipyard Princess Yachts. Combining modern design, smart layout, and excellent performance, **SEVEN** offers comfortable accommodation for six guests in three cabins and is also available for day charters of up to ten guests. The open-plan salon seamlessly connects the lounge and dining areas, while the fully equipped galley allows the crew to prepare and serve meals right before the guests' eyes, enhancing the social atmosphere on board.

The flybridge features a bar, grill, and spacious seating area, perfect for alfresco dining and relaxing with panoramic views. The foredeck provides a dedicated sunbathing space, while the shaded cockpit offers a peaceful retreat close to the water.

For on-water activities, **SEVEN** is equipped with a Sur Marine tender with Yamaha engine, SUP boards, a WindSUP set, Jobe Be Infinity, snorkelling gear, and even a folding bicycle for exploring ashore.

Blending performance, comfort, and versatility, **Princess F55 SEVEN** delivers an exceptional charter experience — ideal for family cruising or memorable escapes with friends around the Balearic Islands.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
