MOTOR YACHT

OCULUS

OCULUS, a 37.3-metre explorer yacht by **Numarine** delivered in 2024, brings together long-range autonomy, low-noise performance and an exceptionally well-planned arrangement of interior and exterior spaces.

Her layout is one of **OCULUS's** defining advantages. She offers six guest cabins, including a full-beam master suite on the upper deck with its own private aft terrace, as well as a spacious VIP cabin on the main deck. Four additional guest cabins complete the accommodation, one of which is ideally suited for a nanny or accompanying staff. A crew of seven ensures attentive service and a high level of privacy throughout the charter.

Outdoor living centres around the sun deck, where guests can enjoy a jacuzzi, lounge seating and a dining area with sweeping panoramic views. The lower deck features a dedicated cinema room with reclining armchairs, a minibar and an ice maker - a true onboard retreat. Another key highlight is the air-conditioned beach club, complete with soft seating, a bar and a dayhead. This space forms a comfortable gateway to the sea and to the yacht's array of water toys.

OCULUS carries an extensive collection of equipment for on-water activities. Her primary tender, a Northstar 8 m, is ideal for transfers and fast coastal cruising. The toy selection includes a Sea-Doo RXP 325, two Sea-Doo Spark 3ups, a Seabob, Fliteboard, JetSurf, wakeboard, inflatable slide, towables, SUP boards and snorkelling gear. Notably, the yacht is certified as an RYA training centre, allowing guests to receive instruction and even obtain qualifications during their charter.
