# FORZA QUIETA

**FORZA QUIETA** is the only **Sanlorenzo SP92** available for charter in the Mediterranean, representing the newest direction of the SP line: a lightweight planing hull, high performance, and an architectural design centered on constant proximity to the sea.

Created in collaboration with Piero Lissoni and Patricia Urquiola, the yacht's defining feature is its 45 m<sup>2</sup> beach club, positioned aft as the primary hub for life by the water. This expansive area offers direct sea access, space for sun loungers, and an ideal setting for daytime activities or evening gatherings right at the water's edge.

Accommodation is designed for 8 guests across four cabins: a full-beam master suite, two double VIP cabins and one twin cabin - a configuration well-suited for families and small groups.

The flybridge brings together a shaded zone beneath a retractable hardtop, an al fresco dining area and an open-air lounge, while the foredeck adds yet another sunbathing and relaxation space.

Thanks to her shallow draft, **FORZA QUIETA** can enter bays and marinas with limited depth, making her ideal for itineraries along the Italian coastline and island regions such as Sardinia, Sicily, the Amalfi Coast and the Tuscan Archipelago.
