NURI

NURI is a 37-metre explorer yacht by **Cantiere delle Marche**, delivered in 2021 and built for long-range cruising. As the first model in the RJ series, she blends the reliability of a steel expedition hull with bright, functional interiors crafted by Francesco Paszkowski and Margherita Casprini.

She accommodates up to 12 guests in five cabins, including a full-beam main-deck master suite, two VIP cabins, and two flexible guest cabins ideal for families or mixed groups.

The outdoor areas are designed for versatile relaxation: a panoramic sundeck with jacuzzi, bar, sunloungers and TV; expansive aft decks; and a generous swim platform providing direct access to the sea.

A wide selection of water toys is available, including Seabob, e-foil, kayaks, and a golf setup with biodegradable balls. The yacht is supported by a fully equipped Fjord 41XL chase boat with stabilisers, ideal for exploring bays, beaches and remote shorelines.

A crew of nine delivers professional service tailored to active itineraries and extended passages. **NURI** brings together the capability of a true expedition yacht with the comfort and refinement expected from a modern superyacht.
