MOTOR YACHT

SAMIRA

SAMIRA is a 55-metre **Amels** motor yacht designed by Terence Disdale and refreshed through an extensive 2024 refit. Launched in 2003 with a steel hull and aluminium superstructure, she now fully meets modern standards of comfort, safety, and commercial operation. Zero-speed and underway stabilisers ensure a high level of comfort in all conditions.

The interior is defined by clean lines and large windows that maintain a constant visual connection with the sea. The main salon is arranged as an open-plan space with a dining area for fourteen guests, while the upper deck hosts a sky lounge that serves as a more private retreat and cinema room. Accommodation is designed for up to twelve guests in five cabins, including a full-beam master suite on the main deck with an office and two walk-in wardrobes. Four guest cabins are located on the lower deck.

The exterior decks offer a wide selection of lounging and sunbathing areas, with the expansive sundeck serving as the primary daytime social hub. A fold-down transom provides convenient access to the water and expands the beach club area. For active enjoyment on the water, the yacht carries jet skis, Seabobs, SUP boards, a wakeboard and an inflatable pool, while a Castoldi tender ensures quick transfers to shore.

With upgraded technical systems, a thoughtful layout and generous interior volume, **SAMIRA** is a superyacht designed for comfortable long-term cruising and efficient charter operation.
