MILOS AT SEA

MILOS AT SEA is a 35-meter motor yacht built by **Codecasa** in 2000 and refitted in 2022. Designed in a classic full-displacement configuration with a steel hull and flybridge, she offers excellent stability and comfort during long-range cruising. A cruising speed of around 13 knots makes her well suited for relaxed passages with efficient fuel consumption.

The yacht accommodates up to 10 guests in four en-suite cabins. The layout includes two double cabins and two twin cabins with additional pullman berths, allowing flexible accommodation for different guest groups. All cabins feature private bathrooms. The main salon and master cabin are located on the main deck and benefit from large windows that provide abundant natural light.

A professional crew of seven ensures a high standard of service on board. The spacious flybridge serves as the primary outdoor living area, featuring sofas, sun loungers, and an al fresco dining space with an open galley and barbecue, ideal for socializing and entertaining.

For water activities, **MILOS AT SEA** is equipped with a 5-meter Castoldi tender, two Seabobs, SUP boards, a canoe, kayaks, water skis, a wakeboard, and a selection of towable inflatables. An inflatable slide can also be arranged upon request.

MILOS AT SEA is a well-balanced classic yacht, perfectly suited for both relaxed family cruising and active holidays on the water, offering a reliable technical platform and a practical, guest-friendly layout.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
