MOTOR YACHT

LADY LUNA

LADY LUNA is a 32.1-metre motor yacht built by **Marti Yachts** and launched in April 2025. She accommodates up to 11 guests in five cabins, including a master suite on the bridge deck, a second master suite on the main deck, and - on the lower deck - two VIP cabins with double beds and a twin cabin with an additional Pullman berth. All cabins are en suite and fitted with steam showers, as well as integrated lighting and climate control systems.

The social areas are designed for relaxed onboard living and entertainment, featuring a main salon, an aft cockpit with an outdoor dining area, and an upper deck arranged with an open-air cinema and a jacuzzi. The yacht is equipped with stabilisers for enhanced comfort, Technogym fitness equipment, and a dedicated massage room. Professional massage services are available upon request.

Powered by twin MAN engines of 650 hp each, **LADY LUNA** cruises efficiently at around 10 knots, with a top speed of up to 14 knots. ONAN generators provide reliable power supply, supporting extended stays at anchor.

For water activities, the yacht is fully equipped with a Williams Sport Jet 460 tender, a 14-metre chase boat with its own captain, and a wide selection of water toys, including Seabobs, an electric jetboard, gear for surfing, water skiing, snorkelling, and fishing.
