# COCOY

**COCOY Riva 82' Diva (2025)** is a contemporary high-performance motor yacht designed for year-round charter operations in the Mediterranean and the Caribbean. She is based in the Western Mediterranean during the summer season and relocates to the Caribbean for the winter.

Powered by twin MAN V12 engines delivering 1,900 hp each, she offers a cruising speed of approximately 27 knots and a top speed in excess of 30 knots. Both fin and gyroscopic stabilizers ensure excellent comfort underway and at anchor. The yacht is equipped with upgraded generators and a tropical-spec air-conditioning system, making her perfectly suited for warm-climate cruising.

Accommodation **COCOY** is provided for up to 8 guests in four en-suite staterooms, including a full-beam Owner's suite, one VIP cabin and two guest cabins. All cabins feature marble-finished bathrooms, electric blackout blinds and large panoramic windows. The main saloon, with its floor-to-ceiling glazing and sliding glass doors opening to the cockpit, creates a seamless indoor-outdoor living and dining environment. Onboard connectivity includes Starlink and 5G internet, satellite TV and a premium audio system.

Exterior areas comprise an aft cockpit, a hydraulic swim platform with beach club function, a forward sunbathing area, and a flybridge with lounge, bar and dining space. The yacht's Shark Grey hull with black accents and underwater lighting further emphasizes her sleek, sporty profile.

The **COCOY Riva 82' Diva** combines high cruising performance, modern Italian design and highly functional outdoor living spaces, making her equally ideal for fast cruising between destinations and relaxed stays at anchor in the world's most desirable yachting regions.
