## KINGS LAIR

KINGS LAIR is a 34.36-metre motor yacht built by **Benetti** in 2023, designed by **Benetti**'s in-house architectural team. She accommodates up to 10 guests in five elegant cabins, including a full-beam Owner's suite on the main deck, two VIP cabins, and two guest cabins on the lower deck, all with en-suite bathrooms. A professional crew of seven ensures a high standard of service and seamless onboard experience.

The Owner's suite on the main deck benefits from large panoramic windows, generous storage, his-and-hers sinks, a separate WC, and a glass-enclosed shower, offering privacy, comfort, and excellent natural light.

One of KINGS LAIR's standout features is her exceptional beach club, incorporating a pool on the main deck level with the ability to expand the lounging area, creating a unique connection to the sea. The main salon seamlessly blends indoor and outdoor spaces through large sliding glass doors, delivering a sense of volume and openness typically found on larger yachts.

Outdoor living areas are thoughtfully arranged, with a dining and sunbathing area on the flybridge, spacious sun pads on the foredeck, and a sky lounge on the upper deck. A hydraulic swim platform provides easy water access and can also be configured for stern boarding when required.

Powered by twin MTU 10V 2000 M86 engines of 1,380 hp each, KINGS LAIR is equipped with Kohler 70 kW generators and stabilizers, ensuring comfort both underway and at anchor. A comprehensive selection of water toys includes Worldcat 32' and Williams 505 tenders, a Sea-Doo Jet Ski, Awake and Flite e-foils, Seabobs, inflatable platforms, and snorkeling equipment, offering guests an exceptional on-water lifestyle.

# DESTINATIONS

## BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
