EVA

EVA is a 35-metre motor yacht built by **Cheoy Lee** in 1993 and fully refitted in 2024, now based in Cannes and ideally suited for charters and private events along the French Riviera. She is equally well adapted for day cruises and extended stays, accommodating up to 29 guests underway and 10 guests overnight in five cabins, including a Master suite, one VIP cabin, two double cabins, and one twin cabin. The yacht features a flexible main salon layout, allowing the interior spaces to be easily adapted for different charter formats, from relaxed cruising to corporate or private events. Interiors are styled in an Art Deco-inspired design, combining elegant details with practical, guest-friendly furnishings and well-defined lounge areas.

EVA offers multiple outdoor living spaces, including a spacious flybridge ideal for social gatherings and a jacuzzi with panoramic views, creating an inviting atmosphere both at anchor and underway. Stabilizers ensure enhanced comfort for guests during cruising and at rest.

Powered by twin Caterpillar engines of 1,100 hp each, **EVA** cruises comfortably at around 10 knots, with a maximum speed of approximately 13 knots and an average fuel consumption of about 350 litres per hour.

For water-based activities, **EVA** is equipped with a selection of toys including a Jet Ski, two Seabobs, a kayak, SUP boards, an inflatable platform, a wakeboard, and towable inflatables. A professional crew of five, including a dedicated chef, delivers attentive service throughout the charter experience.

With her event-friendly capacity, recent refit, generous deck spaces, and prime Riviera base, **EVA** is an excellent option for charters between Cannes, Monaco, and Saint-Tropez, as well as day charters, celebrations, and private functions.
