## ARIYAL

**ARIYAL** is a 45-meter yacht delivered in 2024 in the Republic of Maldives and certified by the Ministry of Transport and the Ministry of Tourism. Designed for extended cruising across the Maldivian atolls, she combines the durability of an explorer vessel with the comfort standards of a modern superyacht.

**ARIYAL** accommodates up to 26 guests in 13 fully air-conditioned en-suite cabins. The layout includes seven cabins on the lower deck (configured as double or twin) and six suites on the main and upper decks with double beds. Social spaces feature a restaurant, bar, indoor lounge, and multiple open-air areas for sunbathing and alfresco dining. A Jacuzzi is located on the upper deck.

The yacht is fully equipped for surf and dive charters. Access to surf breaks is provided by a 5-meter dinghy, while transfers are handled by an 18-meter tender and a dedicated 60-foot dive tender. The dive setup includes two Bauer compressors, a Nitrox system, a DAN Europe oxygen unit, and 40 dive tanks. Regulators, BCDs, dive computers, wetsuits, and snorkeling equipment are available for rent. For watersports enthusiasts, **ARIYAL** offers two Yamaha jet skis, two SUP boards, a wakeboard, water skis, a kneeboard, two inflatable towables, and fishing equipment for up to 24 guests.

An onboard bar operates on a consumption basis. The crew of 13 - including the captain, cruise director, chef, and PADI-certified dive instructor - ensures seamless itinerary planning and attentive service throughout the journey.

**ARIYAL** cruises throughout the Maldives, from North Malé Atoll to the Central and Southern atolls. Routes are tailored to seasonal conditions. The yacht is ideally suited for surf charters, diving expeditions, and group charters in the Indian Ocean.
