FELICITY

FELICITY is a 39-meter yacht built in 2012 and refitted in 2023. With a 10-meter beam, she accommodates up to 26 guests in 13 fully air-conditioned en-suite cabins and is tailored for combined dive and leisure charters across the Malé and Ari atolls. Nitrox is included in the charter rate, while dive equipment rental is available at an additional cost.

Accommodation comprises two State Cabins on the main deck, six double cabins on the lower deck, and four Sea View Suites on the upper deck. Eight standard cabins feature twin beds, private bathrooms, TV, shower, air conditioning, and mini-fridge. The four upper-deck suites are more spacious, offering king-size beds, additional sofas, and enlarged bathrooms. All cabins are equipped with individual climate control and onboard entertainment systems.

Outdoor areas include a spacious sun deck with Jacuzzi and multiple lounge spaces. **FELICITY** offers diving and snorkeling across various sites in the Maldives, including Rasdhoo Atoll and Maya Thila. Additional activities include kayaking, SUP, water skiing (using a 21-foot tender), fishing with a 65-meter dive dhoni, karaoke, board games, and a Bose sound system with Pioneer DJ mixer. Each charter includes one BBQ dinner on an uninhabited island with DJ entertainment.

The charter rate includes government taxes and service charges, full-board dining (buffet breakfast, lunch, and dinner), evening snacks, daily fresh fruit, unlimited tea, coffee, and drinking water, guided snorkeling, island visits, fishing, arrival and departure transfers (before noon), and a visit to Malé on the final day upon request. Alcoholic beverages are charged separately. Additional transfers, island and resort entry fees, early check-in, late check-out, itinerary changes, and other personalized requests are subject to extra charges. The standard itinerary covers the Malé and Ari atolls.
