EVA4EVA

EVA4EVA is a 44.47-meter motor yacht built by **Mangusta (Overmarine)** in 2025. She can accommodate up to 12 guests in 6 luxurious cabins, including 2 guest cabins and 2 VIP cabins on the lower deck. The owner's suite on the upper deck features exclusive access to a private outdoor area, while the second master cabin on the main deck is equipped with a fold-out balcony, offering stunning views and creating a unique connection with the sea. The yacht also includes cabins for 9 crew members, ensuring a high level of service and comfort for all guests.

The yacht's exterior boasts numerous spacious areas for relaxation. A pool at the bow allows guests to enjoy the sun, while a Jacuzzi on the sun deck offers the perfect spot to relax with panoramic views. The beach club features a hammam and direct access to the sea. Onboard, there is also a fully equipped gym, enabling guests to maintain their fitness during the entire cruise.

EVA4EVA has a shallow draft of just 2.5 meters, allowing her to access secluded bays and coves that larger yachts cannot reach, opening up even more possibilities for exploration. The stabilizer system ensures smooth sailing and stability at anchor. The yacht is equipped with an array of water toys, including a Technohull 40 Explorer chase boat with two Mercury 400R engines, a Williams DJ565 tender, 2 Seadoo Spark jet skis, 2 SeaBob Sea NXT Elite, 2 SIPABOARDS DRIVE NEO AQUA, a wakeboard, water skis, snorkeling equipment, and inflatable towable toys for 1, 2, and 3 people.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
