DESTINATIONS

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.
