MOTOR YACHT

# INSPIRATION

**INSPIRATION** is a 38.1-meter motor yacht built by **Benetti** in 2017. The yacht accommodates up to 11 guests in five cabins, including a master suite on the main deck with separate bathrooms for him and her and fold-out balconies on both sides. On the lower deck, there are three double cabins and one guest cabin with an additional bed.

The interior, designed by RWD, is modern with the use of light oak and dark finishes. Large windows and high ceilings fill the main salon with natural light, creating a spacious and airy atmosphere. The sky lounge with a large television doubles as a private cinema, while the elegant bar with carpets and onyx adds sophistication to the living areas.

The sundeck features a jacuzzi, while the foredeck offers sun loungers and a lounge area with panoramic views. The upper deck has an outdoor dining area, and the beach club and swim platform provide easy access to the water and water toys. For water activities, **INSPIRATION** offers a 10.4-meter Yellowfin tender (34 feet) with three 400-horsepower Mercury engines, a 5.6-meter Williams tender (18.5 feet), two Sea-Doo SPARK jet skis, two SeaBobs, two kayaks, two Jobe paddleboards, an electric Efoil surfboard, a wakeboard, snorkeling equipment, inflatable toys, and fishing gear. There is also a barbecue area and beach toys, making relaxation even more enjoyable.

# DESTINATIONS

## BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. The port of Nassau is known as a place that has attracted pirates for centuries. Today, it is a popular place to start or end a charter vacation. The Exumas and Abaco are prime areas for cruising. Some people prefer to charter in Elutra, but this can be tricky as not many yachts are based there. The best option is to fly into Nassau, which has a major international airport with direct flights from various regions including Europe, the mainland US and Canada.

Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.

Accordingly, the low season ...
