MOTOR YACHT

NECTAR

NECTAR is a 34.14-meter motor yacht built by **Sanlorenzo**, offering comfortable accommodation for nine guests in four spacious cabins. The yacht features a full-beam master suite on the lower deck and a VIP cabin with a king-size bed, along with two versatile guest cabins.

The yacht's interior, designed by Studio Lissoni, follows a minimalist style, with large floor-to-ceiling windows in the main salon providing panoramic views and enhancing the sense of openness. The expansive lounge area smoothly transitions into the dining area, which is decorated in neutral tones.

The beach club with fold-down terraces and a gym at water level offers direct access to the sea. For outdoor relaxation, there are al fresco dining areas, and the flybridge with a retractable roof ensures comfort and sun protection.

NECTAR is equipped with a 32-foot Jupiter tender, two Spark Seadoo jet skis, two Seabobs, paddleboards, and a 2-person inflatable kayak, making it an excellent choice for active guests who value both comfort and adventure.

BAHAMAS

The Bahamas consists of 700 islands and coral bays in a stunning archipelago that stands out for its breathtaking reefs. Bahamas are called paradise islands not only due to the azure water and snow-white sand, but also due to the fact that you can go here on vacation even all year round. The strip of annual Caribbean hurricanes pass through the archipelago infrequently. High season is considered the most comfortable time to stay in the Bahamas. It lasts from November to May.
