MOTOR YACHT

NEW YORK

The motor yacht **NEW YORK**, built by **Sanlorenzo** in 2025, is an **SX100** model measuring 30.53 meters in length. She combines contemporary architecture, open living spaces, and a highly functional layout designed for modern cruising. Based in Monaco, **NEW YORK** is ideally suited for charter along the French Riviera and surrounding waters, offering a versatile platform for both short getaways and extended cruises.

The layout accommodates up to eight guests across four cabins, with a mix of double and twin configurations. A crew of five ensures a high standard of service and a seamless onboard experience.

The yacht cruises comfortably at around 16 knots, with a top speed of up to 23 knots, striking a balance between efficiency and performance. She is equipped with all essential onboard systems, including a fully fitted galley, air conditioning, and a hydraulic swim platform for easy access to the water.

Exterior deck areas are designed for relaxation and socializing, featuring sunbathing spaces, lounge areas, and alfresco dining zones that make the most of life on board. For active guests, a selection of water toys is available, including a paddleboard, snorkeling equipment, and a seabob.

The **SX100** concept emphasizes a strong connection to the sea and intelligent use of space, making **NEW YORK** a versatile and comfortable choice for cruising the Côte d'Azur.
