MOTOR YACHT

SUNSEEKER 95

The **Sunseeker 95 Yacht**, built by **Sunseeker**, is a modern 28-meter motor yacht that combines a well-thought-out layout, onboard comfort, and stable performance. She is powered by twin engines, each delivering 2,000 horsepower. At a cruising speed of approximately 12.3 knots, fuel consumption is around 175 liters per hour.

The layout accommodates up to eight guests across four cabins. The master suite is located on the main deck and features a split-level design with a walk-in wardrobe and en-suite bathroom, offering additional volume and privacy. The lower deck includes a VIP cabin and two guest cabins with convertible bed configurations.

A professional crew of four - including a captain, first mate, stewardess, and chef - ensures a high level of service and a comfortable onboard experience.

The raised helm position allows for an expanded main saloon, which flows seamlessly into the dining area, creating a unified and functional living space. The flybridge serves as the primary leisure area, featuring an additional helm station, bar, lounge space, and the option to install a jacuzzi. Outdoor areas also include an aft dining space and a foredeck sunbathing area.

For active enjoyment, the yacht offers an excellent selection of water toys, including two adult seabobs, one junior seabob, a 10-meter inflatable water slide deployed from the flybridge, two paddleboards, an inflatable platform, as well as snorkeling and fishing equipment. A jet ski can also be provided upon request.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
