L'AS BLEU

The motor yacht **L'AS BLEU**, built by **Riva** in 2025, is an **82 Diva** model that combines Italian design, high performance, and a well-optimized layout. Designed with charter use in mind, she is perfectly suited for cruising the Mediterranean, whether for relaxed getaways or more active coastal itineraries.

The layout accommodates up to eight guests across four cabins, each with en-suite facilities. The full-beam master suite offers a high level of comfort and privacy, complemented by a VIP cabin and additional guest cabins with flexible sleeping configurations.

The interiors reflect contemporary Italian styling, featuring high-quality materials, panoramic glazing, and an open-plan layout. The main saloon connects seamlessly with the exterior areas, creating a bright, unified living space with a strong visual connection to the sea.

The aft section is designed as a beach club with dual fold-down side platforms, expanding the space at water level and providing easy access to the sea. The flybridge, spanning approximately 40 m², serves as the main leisure area on board, offering lounge spaces, a dining area, a bar, and sunbathing zones.

For active guests, **L'AS BLEU** is equipped with a selection of water toys, including a Williams SportJet tender, two seabobs, a paddleboard, and snorkeling equipment.
