## GETAWAY

The motor yacht **GETAWAY**, built by **Azimut Yachts** as part of the **Grande 26M** series, combines innovative architecture with a thoughtfully designed layout focused on efficient use of space and a strong connection to the sea. The main deck follows an open-plan concept, where the saloon seamlessly integrates with the dining area and flows into the aft deck, creating a bright and unified living space. Full-height panoramic windows flood the interior with natural light and enhance the sense of openness.

The aft area is designed with functionality in mind. A transforming cockpit with an opening transom creates a spacious beach terrace at water level, expanding the usable area and providing direct access to the sea.

**GETAWAY** accommodates up to 10 guests across four cabins, including a master suite on the main deck. The remaining guest cabins are located on the lower deck, ensuring comfort and privacy for all guests.

Outdoor spaces are arranged for a variety of onboard experiences. A swim platform, well-designed walkaround decks, and multiple outdoor lounge areas make the yacht equally suited for relaxed cruising and active leisure. A selection of water toys is also available on board, enhancing the overall experience at sea.
