MOTOR YACHT

KNEAD IT

The motor yacht **KNEAD IT**, built by **Pearl Yachts** in 2024, is a modern 25-meter vessel that combines increased interior volume, thoughtful architecture, and a high level of onboard comfort.

Her exterior was designed by Dixon Yacht Design, while the interior is by Kelly Hoppen, reflecting a contemporary approach with light tones, high-quality materials, and functional ergonomics.

The layout accommodates up to 10 guests across five cabins. The full-beam master suite is located on the main deck and features direct access to a private foredeck terrace - an uncommon feature in this segment. The lower deck hosts four guest cabins with flexible configurations.

The main saloon benefits from full-height panoramic glazing, maximizing natural light and creating a strong visual connection with the sea. The space seamlessly combines lounge and dining areas into a cohesive layout.

Outdoor areas are designed for relaxed living and entertaining. The flybridge, equipped with a hardtop and opening sunroof, features a dining area and bar, serving as the primary social space. The foredeck offers an additional lounge area, while the aft section of the main deck includes sun loungers and fold-down terraces, creating an expanded beach club at water level.

On board, **KNEAD IT** is equipped with a Williams tender and a selection of water toys, including a seabob and additional equipment for active leisure.

Combining modern design, functional layout, and balanced performance, **KNEAD IT** presents a versatile solution for charter use.
