## TRILOGY

The motor yacht **Infynito 80 TRILOGY**, built by **Ferretti Yachts** in 2025, is a modern 24-meter vessel designed with a focus on comfort, functionality, and extensive use of outdoor living spaces.

The layout accommodates up to eight guests across four cabins on the lower deck, including a full-beam owner's suite, a VIP cabin, and two guest cabins. A crew of four is housed in separate quarters, ensuring a high level of service and guest privacy.

The interior is developed under the Ferretti Sustainable Enhanced Architecture (F.S.E.A.) concept, emphasizing the use of eco-friendly and recycled materials such as natural fabrics, bamboo fibers, and regenerated leather. The spaces are designed to maximize natural light and maintain a strong visual connection with the sea.

A key feature of the model is the thoughtful design of exterior areas. The centerpiece is a covered terrace integrated into the superstructure, creating a protected lounge space with panoramic views. This area functions as a полноценная outdoor living zone, usable in a variety of weather conditions.

**Infynito 80 TRILOGY** combines contemporary architecture, a sustainable approach, and a functional layout, offering a balanced yachting experience with an emphasis on comfort, space, and long-range cruising.
