MOTOR YACHT

AWANDRA

AWANDRA is a 52-metre displacement motor yacht delivered in 2025 by **Baglietto**. Designed by Francesco Paszkowski and his studio, she reflects a contemporary approach to blending naval architecture, design, and onboard functionality. Her layout accommodates up to 12 guests across five staterooms. The spacious full-beam master suite on the main deck features his-and-hers en-suite bathrooms. Additional accommodation includes two VIP cabins and two guest cabins with flexible configurations. Crew quarters for nine are arranged separately, ensuring a clear distinction between guest and service areas.

Interior spaces are thoughtfully designed with a focus on functionality and seamless circulation, allowing for efficient use of volume - equally suited for private cruising or entertaining on board.

AWANDRA's exterior decks offer a variety of lounge and bar areas, sunbathing spaces, and a swim platform with direct access to the water. A standout feature is the presence of two swimming pools integrated into the design, enhancing the usability of the outdoor areas.

The yacht is equipped for an active lifestyle on the water, with a selection of water toys including Sea-Doo jet skis, underwater scooters, an e-foil, full diving and snorkeling equipment, kayaks, bodyboards, and an electric bicycle. Outdoor BBQ areas further expand her leisure capabilities.

Designed with Mediterranean cruising in mind, **AWANDRA** combines strong autonomy, generous capacity, and modern engineering solutions - offering a versatile platform for extended voyages and comfortable living at sea.
