# LIMERENCE

**LIMERENCE** is a 52.5-metre motor yacht delivered in 2025 by **Alia Yachts**, built to a design by Azure Yacht Design. She combines substantial internal volume, contemporary architecture, and impressive autonomy, making her ideally suited for extended cruising.

Her displacement hull ensures excellent stability on long passages, with a cruising speed of approximately 10 knots and a range of up to 4,000 nautical miles - allowing for both Mediterranean itineraries and transatlantic crossings.

Accommodation is arranged for up to 6 guests across three generously sized staterooms, designed with a strong emphasis on comfort and space. At the same time, **LIMERENCE** offers exceptional flexibility: she can host up to 12 guests for day cruising and accommodate up to 100 guests for dockside events. Crew quarters for 12 are fully separate, ensuring a high level of service and operational efficiency.

Interior spaces follow an open-plan concept with seamless transitions to the exterior decks, creating a unified living environment with continuous visual connection to the sea. Outdoor areas include multiple lounge and dining spaces, as well as a spacious beach club with direct water access, serving as the central hub for relaxation and water activities.

A standout feature of **LIMERENCE** is her extensive tender fleet, including a custom 13-metre Alia tender, an 8.2-metre Cockwells Beach Lander, and a 6.1-metre Ski Nautique sports tender. The yacht also offers a comprehensive array of water toys: Sea-Doo WakePro and Yamaha Superjet jet skis, Seabobs, wakeboarding and wakesurfing equipment, an e-foil, SUP boards, kayaks, kite surfing gear, RS Tera and RS Cat 14 sailing dinghies, an inflatable water park with slide, jet ski platforms, and full equipment for diving, snorkeling, and fishing.

Versatile and highly capable, **LIMERENCE** represents a unique platform that combines long-range ca...
