MOTOR YACHT

ZOZO

ZOZO is an **Azimut Grande 27 Metri** motor yacht delivered in 2023 by **Azimut Yachts**. The project combines contemporary architecture, enhanced interior volumes, and a highly functional layout tailored for charter operations in the Mediterranean.

Her exterior styling and naval architecture were developed by Stefano Righini, while the interiors are the work of Achille Salvagni, reflecting a modern Italian approach with a focus on ergonomics, comfort, and visual lightness.

With an overall length of 26.8 metres, **ZOZO** accommodates up to 8 guests across five staterooms. The full-beam master suite is located on the main deck and features panoramic windows, a walk-in wardrobe, and an en-suite bathroom with a central shower. The lower deck hosts two VIP cabins, one double guest cabin, and one twin cabin - each with en-suite facilities and integrated multimedia systems.

Separate crew quarters for four ensure smooth onboard service.

Outdoor areas are designed to support a variety of lifestyle scenarios. The flybridge offers lounge and dining areas, sunpads, and a dedicated DJ station, while the foredeck provides a more private relaxation space. The aft cockpit is arranged for al fresco dining, and the beach club with swim platform ensures easy access to the water, serving as the primary hub for water-based activities.

Powered by twin MAN diesel engines, **ZOZO** cruises at approximately 13 knots and reaches a top speed of up to 24 knots. She is equipped with modern communication systems, including Starlink connectivity, as well as fully integrated audiovisual solutions throughout.
