MOTOR YACHT

MENANGIO X

MENANGIO X is a 28.5-metre motor yacht delivered in 2025 by **Riva Yachts**. She combines the brand's signature Italian styling with modern engineering solutions, offering a balanced platform for both leisure cruising and onboard comfort. Accommodation is arranged for up to 8 guests across five staterooms, each with its own en-suite bathroom. The interiors are designed in a contemporary style, featuring a neutral palette and practical materials that create a calm and functional environment for extended stays. Separate crew quarters for five ensure a high level of onboard service.

The main deck is centered around a panoramic saloon, where expansive glazing provides abundant natural light and uninterrupted sea views. The space seamlessly integrates lounge and dining areas, forming a cohesive setting for relaxation and socializing.

The flybridge offers sunbathing areas, a lounge, and an al fresco dining space. Additional relaxation zones are located on both the foredeck and aft deck, allowing for flexible use throughout the day.

For water-based activities, **MENANGIO X** is equipped with a Williams tender (3.45 m, 90 hp), an auxiliary inflatable boat, two Seabob F5S units, one Seabob F90, a SUP board, as well as snorkeling and fishing equipment.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
