DAYBREAK

DAYBREAK is a 52-metre motor yacht delivered in 2024 by **Baglietto**. Part of the shipyard's **T-Line** series, she represents a modern explorer-style platform designed for charter operations, with a strong emphasis on space, comfort, and functionality. Accommodation is arranged for up to 11 guests across six staterooms. The full-beam master suite is located on the main deck, while the lower deck features a VIP cabin, two king-size cabins, and one convertible twin cabin. All staterooms are en-suite. Separate crew quarters for 11 ensure a high level of service and operational efficiency.

Interior spaces are designed for extended stays on board, with increased ceiling heights, well-planned circulation, and a clear separation between guest and service areas to enhance comfort and privacy. A panoramic sky lounge on the upper deck provides an additional social and relaxation area.

Exterior living is a defining feature of **DAYBREAK**. The aft section hosts a multi-level beach club with a transformable swimming pool, while the expansive sundeck - measuring approximately 24 metres - features a glass-sided Jacuzzi, bar area, and sun loungers.

A fully equipped gym with an adjoining terrace allows for open-air workouts.

DAYBREAK is also outfitted with a selection of tenders and water toys, further enhancing her appeal for active leisure on the water.
