MOTOR YACHT

OCEAN ONE

OCEAN ONE is a 35.29-metre motor yacht from the **Grande 36M** series, delivered in 2023 by **Azimut Yachts**. She represents a modern platform combining generous interior volume, well-considered architecture, and efficient performance.

Accommodation is arranged for up to 12 guests across five staterooms. The master suite is located forward on the main deck, while the lower deck features two double cabins and two twin cabins, each supplemented with Pullman berths. All staterooms are en-suite. Separate crew quarters for six ensure smooth onboard operations and a high level of service.

The main social areas are designed with an open-plan layout. The main saloon flows seamlessly into the dining area and provides direct access to the exterior decks, creating a cohesive and versatile living space.

Exterior areas are equally well developed. The foredeck features a glass-fronted pool and lounge area, while the flybridge offers a bar, shaded lounge, and sunbathing spaces. The aft deck is arranged for al fresco dining, completing a variety of outdoor lifestyle options.

For water-based activities, **OCEAN ONE** is equipped with a BRABUS Shadow 900 tender, along with a Sea-Doo Spark jet ski, an e-foil, wakeboards, SUP boards, inflatable toys, and snorkeling equipment.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...

DESTINATIONS

TURKEY

A typical day on a private yacht in Turkey is as much about water activities as it is about endless coastal walks. Look around and you'll find extraordinary stone slabs of cliffs on steep, winding shores, sleepy hilltop villages and ancient ruins - relics of mighty empires - living out their days in the dense coastal vegetation. Boat transitions between islands can be short, giving you the opportunity to enjoy peaceful morning wakes and lazy strolls around the islands and small villages. And if the hiking proves to be too much, you can re-board and relax in the shade on the deck of your yacht. Turkey is a country with a rather hot climate, during the summer season, from June to August, temperatures can rise above 40°C, however, May, September and October are the most pleasant months for chartering in this region, the temperature drops to around 20-25°C and you can comfortably enjoy your trip.
