## DELLAGRAZIA

**DELLAGRAZIA** is a motor yacht of approximately 27 metres, delivered in 2022 by **Sanlorenzo Yachts**. Her concept is centered on openness and the seamless integration of indoor and outdoor living, creating a strong connection to the sea. The aft section is designed as a spacious beach club with expanded deck area, ideal both for relaxation and for easy water access. The flybridge features a versatile, transformable space that can be fully enclosed, allowing for comfortable use in all weather conditions.

Accommodation is arranged across four staterooms, each with en-suite facilities. Interiors reflect contemporary Italian styling, with an emphasis on natural light, functionality, and comfort for extended stays. Separate crew quarters for four ensure smooth and discreet service.

The yacht's hull and superstructure architecture provide increased internal volume compared to traditional yachts in this size range, enhancing overall onboard livability.

For water-based activities, **DELLAGRAZIA** is equipped with a selection of toys including a jet ski, Seabob, tender, and inflatable equipment.

Combining generous outdoor areas, a modern layout, and practical functionality, **DELLAGRAZIA** offers a versatile platform for charter cruising with a focus on comfort and direct engagement with the sea.

# DESTINATIONS

## CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
