MOTOR YACHT

ASCEND

ASCEND is a 23.6-metre motor yacht delivered in 2026 by **Sunseeker**. She represents a modern platform that combines strong performance, refined design, and a level of comfort typically associated with larger yachts. With an overall length of approximately 76 feet and an optimized hull form, **ASCEND** offers stable handling and impressive performance. She reaches a top speed of up to 32 knots and cruises comfortably at around 23 knots. Accommodation is arranged for up to 8 guests across four staterooms, each with en-suite facilities. The layout is designed to ensure privacy and comfort, making her well suited for extended stays on board. Separate crew quarters for three provide efficient service while maintaining guest discretion. Interior and exterior spaces are seamlessly integrated, creating a cohesive environment for relaxation and easy movement throughout the yacht. Outdoor decks include areas for sunbathing, al fresco dining, and lounging, offering a variety of lifestyle options. For water-based activities, **ASCEND** is equipped with a Williams 345 tender (105 hp), along with a selection of water toys including an e-foil, Seabob, water skis (adult and children), SUP boards, and snorkeling equipment. Based in Split, **ASCEND** is ideally positioned for cruising the Adriatic Sea, including the Croatian coastline and surrounding islands.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
