IMLADRIS

IMLADRIS is a 24.92-metre flagship sailing catamaran delivered in 2025 by **Lagoon Catamarans**. Positioned at the top end of the luxury multihull segment, she combines expansive volume, exceptional stability, and a contemporary approach to onboard living.

With a beam exceeding 11 metres, **IMLADRIS** offers significantly greater usable space compared to monohull yachts of similar length, creating a true “floating villa” experience.

Accommodation is arranged for up to 8 guests across four staterooms. The master suite features a king-size bed and direct access to a private swim platform, while two additional cabins are fitted with queen-size beds and a fourth cabin offers a flexible configuration.

The yacht is equipped with an extensive selection of water toys, including a Seabob, e-foil, paddleboards, and a wakeboard, as well as full diving equipment with an onboard compressor - supporting a wide range of activities from relaxed cruising to more active water programs.

A professional crew of four, including a chef with Michelin-level experience, ensures a high standard of service and a tailored onboard experience for each guest.

Spacious, stable, and highly versatile, **IMLADRIS** delivers a premium multihull experience, combining comfort, lifestyle flexibility, and elevated service standards.
