ALMAR II

ALMAR II is a 24.4-metre motor yacht from the **Magellano** series, delivered in 2013 by **Azimut Yachts**. Designed with an explorer-oriented philosophy, she emphasizes onboard comfort and long-range cruising capability. Following an extensive refit in 2025, **ALMAR II** is presented in excellent condition, with a refreshed dark grey hull that enhances her contemporary profile while maintaining the distinctive Magellano identity.

Accommodation is arranged for up to 9 guests across four staterooms. The layout includes a full-beam master suite, a VIP cabin, a twin cabin with convertible beds, and an additional twin cabin with a Pullman berth - offering flexible arrangements for a variety of guest groups.

Interior spaces are designed to maximize natural light and ensure a logical flow between living areas. Exterior decks include a flybridge, an aft al fresco dining area, and additional lounge spaces, allowing for both social interaction and private relaxation.

A professional crew of three provides attentive service throughout the journey. Well suited for cruising destinations such as the Balearic Islands, **ALMAR II** combines autonomy, comfort, and modern Italian design - offering a balanced platform for relaxed and enjoyable voyages.

Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
