MOTOR YACHT

XAMAN

XAMAN is a 28-metre performance motor yacht built by **Pershing Yachts**, based in the VIP area of Marina Ibiza. She combines a distinctly sporty profile with modern onboard comfort, offering a charter experience focused on speed, flexibility, and access to the Balearics' most vibrant destinations.

Her exterior and hull architecture reflect **Pershing's** signature DNA - low-slung proportions, aggressive aerodynamic lines, and a clear emphasis on high performance. With a top speed of up to 45 knots, **XAMAN** ranks among the fastest yachts in her class, enabling swift transfers between Ibiza, Formentera, and beyond.

Accommodation is arranged for up to 8 guests across four staterooms, including a master suite with a king-size bed, a VIP cabin, and two twin cabins convertible into doubles. All cabins are en-suite. For day charters, **XAMAN** can host up to 12 guests, making her equally suited to short social outings and longer cruising experiences.

The main saloon integrates a lounge area, dining space, and multimedia systems into a cohesive interior environment. Outdoor living is split between the aft and foredeck: the aft deck is arranged for dining and relaxation, while the foredeck offers sunbathing areas. A hydraulic swim platform provides easy access to the water and serves as the central hub for water activities.

Following a recent refit, the yacht is equipped with a Seakeeper gyroscopic stabilisation system, significantly enhancing onboard comfort. A comprehensive selection of water toys includes a jet ski, Seabob F5S, SUP boards, wakeboard, water skis, an Awake Ravik S, towable inflatables, and snorkeling gear. A Williams jet tender ensures fast and convenient transfers.

Fast, versatile, and well-equipped, **XAMAN** delivers a dynamic charter platform ideal for exploring the Balearic Islands with maximum efficiency and style.

DESTINATIONS

SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
