## KIRIOS

**KIRIOS** is a 31.45-metre motor yacht built by **Astondoa**, offering a classic and functional platform for charter cruising in the Balearic Islands. She is permanently based in Marina Botafoch, with her berth included in the charter rate - an important logistical advantage during the high season, ensuring smooth embarkation and disembarkation.

Thanks to her dimensions, **KIRIOS** provides generous internal volume and a well-thought-out layout. The interior is styled in a classic aesthetic, featuring cherry wood paneling, neutral soft furnishings, and large windows that bring in ample natural light. The main saloon integrates a lounge area, bar, and entertainment systems, creating a comfortable and sociable environment.

Accommodation is arranged for up to 11 guests across five staterooms, all en-suite. The layout includes a full-beam master suite aft, a full-beam VIP cabin forward, two twin cabins - one with an additional Pullman berth - and an extra cabin on the main deck with a compact double bed. All cabins are equipped with entertainment systems and provide a good balance of privacy and functionality.

Outdoor living spaces reflect the relaxed, social lifestyle typical of Ibiza charters. The aft deck is ideal for casual dining and gatherings, while the flybridge serves as a key social hub, featuring a dining area for up to 10 guests, a bar, refrigeration units, and a bimini top for shade.

A professional crew of five ensures attentive service and a seamless onboard experience throughout the charter.

# DESTINATIONS

## SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
