MOTOR YACHT

HUMILITAS II

HUMILITAS II is a 20.7-metre motor yacht built by **Sirena Yachts**, offering a modern and highly functional platform tailored for comfortable cruising in the Balearic Islands.

Her design emphasizes a seamless transition between interior and exterior living. The main saloon is arranged in an open-plan layout, benefiting from excellent natural light. A standout feature is the forward Jacuzzi - an uncommon addition for a yacht of this size - creating an additional outdoor relaxation area.

Accommodation is arranged for up to 7 guests across four staterooms, with the flexibility to host up to 12 guests while cruising. The layout includes a master suite with wardrobe space, a VIP cabin, a twin cabin, and a single cabin, making her particularly well suited for families or smaller groups seeking privacy and a more intimate onboard experience.

Exterior spaces are well distributed, with a flybridge offering sunbathing and lounge areas, a foredeck with Jacuzzi and seating, and an aft deck arranged for al fresco dining. The deck layout allows for flexible use throughout the day, transitioning easily from relaxation to entertaining.

For water-based activities, **HUMILITAS II** is equipped with a Williams Turbojet tender (90 hp), along with a selection of toys including a wakeboard, SUP board, and towable inflatables.

Compact yet versatile, **HUMILITAS II** delivers a well-balanced charter experience, combining thoughtful design, practical layout, and comfortable cruising in one of the Mediterranean's most sought-after regions.

DESTINATIONS

SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
