CATAMARAN

JARANA

JARANA is a 19-metre sailing motor catamaran built by **Lagoon Catamarans**, offering a modern platform that combines generous space, stability, and autonomy. Based in Sitges, she is ideally suited for relaxed coastal cruising as well as extended itineraries throughout the Mediterranean Sea.

With a beam of nearly 10 metres, **JARANA** provides significantly greater interior and exterior volume compared to monohull yachts of similar length. Her multihull architecture ensures excellent stability, while the layout is designed to create a seamless flow between the saloon, cockpit, and open decks - forming a unified onboard living environment.

Accommodation is arranged for up to 8 guests across four en-suite staterooms, including a master cabin, two double cabins, and one twin cabin. A professional crew of three - including a captain, stewardess/chef, and deckhand - ensures smooth operation and a high level of service throughout the charter.

The aft cockpit, finished in teak, serves as the main al fresco dining area, while the flybridge features a comfortable lounge space. A bar, refrigerator, and BBQ setup enhance the outdoor lifestyle, making it easy to enjoy extended time on deck.

For water-based activities, **JARANA** is equipped with an extensive selection of toys, including two Flite e-foils, SUP boards, a kayak, water skis, a wakeboard, towable inflatables, a ScubaJet Pro, as well as snorkeling and fishing gear. A Lomac 4.60 tender ensures easy access to shore and secluded bays.

Balanced and versatile, **JARANA** offers a compelling mid-size catamaran platform, combining stability, spaciousness, and thoughtful design - ideal for extended, relaxed cruising with a focus on comfort and independence.

DESTINATIONS

SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
