LADY FIONA

LADY FIONA is a **Lagoon 620** sailing catamaran delivered in 2017 by **Lagoon Catamarans**, designed for a private charter experience with a strong emphasis on space, stability, and onboard comfort. Her multihull architecture ensures smooth and stable performance both underway and at anchor, while offering significantly greater usable volume compared to monohull yachts of similar length.

The aft deck serves as the primary outdoor living area, combining a lounge and alfresco dining space with easy access to the interior. Forward, sun loungers and signature catamaran netting create a relaxed setting with direct connection to the sea. The flybridge complements the layout with additional lounge and sunbathing areas, as well as optional shade for comfort throughout the day.

Accommodation is arranged for up to 6 guests across three en-suite staterooms. The layout includes a master suite with direct deck access and two double cabins, making **LADY FIONA** particularly well suited for smaller groups or families seeking privacy and a more intimate onboard experience.

For water-based activities, the yacht is equipped with a Highfield tender, SUP boards, a two-person kayak, a wakeboard, towable inflatables, and equipment for snorkeling and fishing.

Spacious, stable, and thoughtfully arranged, **LADY FIONA** offers a relaxed and comfortable charter platform, ideal for enjoying the Mediterranean at a slower, more immersive pace.

DESTINATIONS

SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
