CATAMARAN

SEEK

SEEK is a 19.5-metre power catamaran delivered in 2016 by **Lagoon Catamarans**. Designed as a practical and spacious platform, she is ideally suited for relaxed coastal cruising, with a strong emphasis on comfort, stability, and efficient use of space. Her configuration is particularly well adapted to the cruising grounds of Ibiza and Formentera, where short passages and extended time at anchor define the experience.

With a beam of approximately 10 metres, **SEEK** offers significantly greater interior and exterior volume than monohull yachts of similar length. Her layout is built around an open-plan concept, seamlessly connecting the saloon with exterior areas and maintaining continuous visual contact with the sea. The expansive flybridge - one of the largest in her class - serves as the primary relaxation space, complemented by both aft and foredeck lounging areas.

Accommodation is arranged for up to 9 guests across four en-suite staterooms. The configuration includes a master cabin, a twin cabin with an additional Pullman berth, a convertible twin/double cabin, and a bunk cabin - providing flexibility for a variety of guest groups.

For water-based activities, **SEEK** is equipped with two Seabob F5S units, SUP boards, wakeboards (adult and children), towable inflatables, and snorkeling gear. A Hilfiger tender ensures convenient transfers ashore and access to secluded anchorages.

Spacious, stable, and highly versatile, **SEEK** offers a relaxed and user-friendly charter platform, ideal for enjoying the Balearic Islands at a comfortable pace.

DESTINATIONS

SPAIN

Spain is undoubtedly one of the best cruising destinations - the famous Spanish spirit, superb Mediterranean cuisine and many beautiful islands with azure waters are all part of its magic. Spain has thousands of kilometers of coastline on both mainland and islands, and boasts marinas and good infrastructure for yacht cruising.

The charter season peaks during the summer months, but fall is also a great time for sea travel. Temperatures are a little cooler but still very comfortable and the sea is still warm. Popular tourist spots are less crowded and it is easier to book a berth.

The most popular destination for yacht charter is the Balearic Islands. Here there is everything to enjoy the beaches, nightlife and cultural attractions. Getting around the islands is easy, with Mallorca, Menorca, Ibiza and Formentera just a short sail away from each other. Barcelona, arguably Spain's most visited city, is famous for its architecture and over the years has been a s...
