PERSEFONI I

PERSEFONI I is a 53.8-metre motor yacht built by **Admiral Yachts** and designed by Luca Dini Design. Positioned in the modern superyacht segment, she combines substantial internal volume with a balanced architectural approach, tailored for extended stays on board with a focus on functionality, privacy, and understated design.

Interiors are executed in a refined, minimalist style, enhanced by a curated collection of contemporary European art. The overall atmosphere reflects a gallery-like environment, maintaining visual clarity while adding character. Her wide-beam configuration allows for generous communal areas and intuitive flow between spaces.

Accommodation is arranged for up to 12 guests across six staterooms, including five doubles and one twin. The full-beam master suite features fold-out balconies, enhancing the connection to the sea while maintaining privacy. Crew quarters for 13 are fully separate, supporting a high level of service, including tailored arrangements for families and extended guest requirements.

Outdoor living spaces are designed for versatility. The sundeck features a Jacuzzi with panoramic views, an open-air cinema, and multiple lounge and dining areas. The upper deck offers a large alfresco dining space and additional lounge areas, while the main deck includes seating areas leading directly to the beach club and garage.

With a range of approximately 5,000 nautical miles, **PERSEFONI I** is well suited for long-distance cruising. Her steel hull enhances stability and efficiency during extended passages, reinforcing her capability as a true long-range superyacht. Spacious, contemporary, and purpose-built for extended cruising, **PERSEFONI I** delivers a refined onboard experience with a strong emphasis on comfort, autonomy, and modern design.

DESTINATIONS

CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
