MOTOR YACHT

CHRISTAL MIO

CHRISTAL MIO is a 24-metre motor catamaran from the **Fountaine Pajot Power 80** range, combining the feel of a motor yacht with the advantages of a wide multihull platform. Her catamaran architecture provides substantial usable volume, excellent stability, and expansive outdoor areas that create the impression of a significantly larger yacht.

CHRISTAL MIO is particularly well suited to families and groups of friends seeking generous exterior spaces, privacy, and a relaxed onboard rhythm. Outdoor living is one of her strongest attributes. The spacious flybridge serves as the yacht's primary open-air social area, featuring a bar, large sun pads, and a protected dining space. This deck is ideal for daytime lounging, lunches at anchor, evening gatherings, and quiet observation of the coastline while underway.

In the forward section, a spacious lounge area is directly accessible from the main saloon, creating a quieter setting for breakfast, open-air relaxation, or more private moments away from the main activity areas aft and on the flybridge.

Aft, the hydraulic platform transforms the stern into a full waterside area. It provides easy access to the sea, simplifies the use of water toys, and creates a comfortable space for swimming, relaxing, and spending extended time close to the water.

The main saloon is an open-plan space of approximately 100 square metres, surrounded by floor-to-ceiling panoramic glazing. This design floods the interior with natural light and maintains constant sea views. Contemporary materials, a thoughtful layout, and modern technical systems create a calm, elegant, and comfortable atmosphere where interior and exterior areas feel seamlessly connected.

Accommodation is arranged for up to 12 guests across six cabins. The owner's suite is particularly spacious and includes a walk-in wardrobe, work area, and large en-suite bathroom. A crew of five ...

DESTINATIONS

GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
