# HOW MUCH IS ENOUGH

**HOW MUCH IS ENOUGH** is a 40.8-metre motor yacht delivered in 2023 by **Benetti Yachts** and belongs to the **Oasis 40M** series, one of the most recognizable contemporary concepts in the 40-metre charter yacht segment.

A defining feature of **HOW MUCH IS ENOUGH** is her expansive beach club with an infinity pool and fold-down platforms. This area creates an open lounge directly at water level, providing an immediate connection to the sea. The beach club can be used for swimming, poolside relaxation, launching water toys, and extended time close to the water, making the aft section the central element of the onboard experience.

The main saloon is designed around natural light and openness. Sliding glass doors to port, starboard, and aft create the feeling of a highly connected social space, visually and physically linked to the sea and the beach club area.

Accommodation is arranged for up to 10 guests across five staterooms. The configuration includes three double cabins and two twin cabins. The full-beam master suite on the main deck is one of the yacht's strongest features, offering a private balcony with panoramic sea views and a spacious his-and-hers bathroom. The interior spaces are intentionally uncluttered, creating a light, bright, and comfortable atmosphere suited to extended stays on board. Also located on the main deck is a fully equipped gym with Technogym equipment and a dedicated yoga area, seamlessly integrating wellness into the daily rhythm of life on board.

The sundeck includes a dining area for up to 12 guests, a large screen, and outdoor cinema capabilities. This versatile space can be used for breakfasts, lunches, evening screenings, and informal gatherings, making it one of the yacht's most flexible lifestyle areas.

For active use on the water, **HOW MUCH IS ENOUGH** is equipped with an extensive selection of tenders and toys. A ...

# DESTINATIONS

## GREECE

Greece, a land of fabulous beauty, remains one of the world's most popular travel destinations and has almost 15,000 kilometers of coastline and over 2,000 islands, of which only 170 are inhabited.

There is no better way to explore the beauty of the Greek islands and the coastline of mainland Greece than on a private yacht. By chartering a yacht, you can see unique landscapes and experience the culture of several islands in a short period of time. Some of the islands have airports, making it possible to get to the yacht fairly quickly. The islands are close to each other, and the term "island-hopping" is used here for a reason. You can easily visit a dozen islands during a short cruise, explore isolated beaches with their unique local culture and taste the freshest national food.

Greece has over 250 days of sunshine a year and a typical Mediterranean climate with hot, dry summers. The peak cruising season is the summer from June to August, however, May, Sep...
