# FIRST HORIZON

Motor yacht **FIRST HORIZON** is a new **Azimut Grande 26M**, built in 2025 and delivered to her owner in April 2026. Designed for cruising along the Adriatic coast and around the Croatian islands, she combines contemporary Italian design, advanced construction solutions and impressive volume for a 26-metre yacht. One of her key features is the aft terrace, which transforms the cockpit into a panoramic lounge area above the water. Together with the spacious flybridge and foredeck lounge, it creates a multi-level outdoor deck arrangement ideal for sunbathing, alfresco dining, relaxing at anchor and evening gatherings with coastal views.

The layout accommodates up to 10 guests in five cabins. The full-beam master cabin is located on the main deck, offering a high level of privacy, natural light and a strong visual connection with the sea. The lower deck features two VIP cabins, one double cabin and one twin cabin, making the configuration well suited to families, couples or mixed groups of guests.

The flybridge serves as the main open-air space for socialising and relaxation, while the foredeck is ideal for more private moments and sunbathing. The aft terrace creates the feeling of a private panoramic platform by the sea.

For water activities, **FIRST HORIZON** is equipped with a tender and a jet ski. Her fuel consumption is approximately 464 litres per hour at 20 knots, around 395 litres per hour in economical mode, and up to 600 litres per hour at maximum speed.

Based in Croatia, **FIRST HORIZON** is perfectly suited to itineraries through Dalmatia, the Adriatic islands and historic coastal towns. Her combination of compact length, five-cabin layout, modern technical specification and distinctive design makes her an attractive choice for guests seeking a new, stylish and well-equipped **Azimut Grande 26M** for a premium charter in Croatia.

# DESTINATIONS

## CROATIA

Embark on a journey of unparalleled beauty in Croatia! Picture yourself sailing along the stunning Adriatic coastline, exploring hidden gems like Diocletian's Palace in Split. With crystal-clear waters, charming villages, and a rich history, Croatia is a dream destination for yacht charters. Indulge in the Mediterranean sun and create unforgettable memories on the open seas. Your Croatian yacht charter adventure awaits!

While Croatia enjoys a Mediterranean climate, the warmest period is during the European summer (July-August). However, booking a yacht charter in Croatia during the shoulder seasons (May-June or September-October) still provides warm weather for swimming in the Adriatic's crystal-clear waters, minus the peak tourist crowds.

# DESTINATIONS

## MONTENEGRO

Montenegro is the perfect charter destination, where centuries-old architecture blends perfectly with modern hotels, bars and restaurants. From sailing Montenegro's azure waters on a charter yacht to exploring forested mountains, rocky cliffs and small villages nestled on sheer cliffs, this tiny Balkan country is a paradise for discerning travelers.

You can cruise the stunning rocky shores of the Bay of Kotor, known as the southernmost fjord, where emerald cliffs rise above crystal clear blue waters, or the Lustica Peninsula. A cultural attraction since the 17th century is the Ostrog Monastery, located in Montenegro's vertical cliffs, where the remains of St. Basil of Ostrog are kept.

The best time to visit Montenegro is between May and October. At this time you will enjoy pleasant sunny weather, and the sea temperature of 25°C will allow you to relax in the azure waters of the Adriatic Sea.
