MOTOR YACHT

PANAKEIA

PANAKEIA is a 45.5-metre motor yacht built by **Astondoa** in 2008 and extensively refitted in 2025. She represents a spacious and well-balanced Astondoa 45M, combining generous volume, elegant design, long-range capability, and a calm cruising character.

Her interior was designed by Cristiano Gatto. Following the recent comprehensive refit, **PANAKEIA** has gained a more contemporary feel, including a new beach club at water level. This area provides direct access to the sea and creates a comfortable space for swimming, relaxing, and enjoying water activities. The exterior decks are arranged around a relaxed Mediterranean lifestyle. The sundeck features a Jacuzzi and bar, while dining can be enjoyed in several settings: aft on the main deck, inside the saloon, or in the circular dining area on the upper deck, where glass doors and panoramic views create a strong connection with the surroundings.

PANAKEIA accommodates up to 11 guests across five cabins. The full-beam owner's suite on the main deck includes a walk-in wardrobe and a spacious bathroom with a freestanding bathtub.

Designed for extended cruising, **PANAKEIA** offers a range of up to 4,000 nautical miles, with a cruising speed of around 12 knots and a maximum speed of 16 knots. Her character is not focused on speed, but on stability, comfort, and unhurried travel.

For time on the water, she carries jet skis, Seabobs, electric boards, and diving equipment. Starlink provides stable connectivity, while a crew of 10 manages service, navigation, and watersports.

Overall, **PANAKEIA** is a spacious and refined Astondoa 45M with an updated design, elegant interior, long-range capability, and a high level of comfort for relaxed charter cruising.
