G.T.U.

G.T.U. is a 2026 **Sunseeker 76 Yacht** measuring 23.60 metres, designed for comfortable Mediterranean charters. She combines a dynamic hull, stabilisers underway and at anchor, generous relaxation areas, and the recognizable style of **Sunseeker**.

The main deck is arranged as an open-plan space with near-circular views. It includes a fully equipped galley, lounge area, and dining table, creating an easy atmosphere for socialising, family time, and relaxed moments with friends. Outdoor living is one of the yacht's strongest features. The cockpit can be arranged with an additional lounge area, while the stern is configured as a mini beach club with a grill, fold-down seating, shower, and extended swim platform. The foredeck offers sun loungers, seating, and a refrigerator, while the flybridge is well suited to open-air dining, relaxation, and evening gatherings.

G.T.U. accommodates up to 8 guests in 4 en-suite cabins. The layout includes three double cabins and one convertible cabin, making her convenient for families, couples, or mixed groups. Separate accommodation for a crew of 3 ensures privacy and attentive service.

For time on the water, **G.T.U.** carries a Williams 385 tender, two Seabobs, two SUP boards, water skis, a surfboard, inflatable banana, towable sofa, and a drone for capturing watersports activities.
